2MWh containerized BESS with integrated battery, PCS, and BMS, ideal for peak shaving, renewable energy storage, and emergency backup.

The energy storage container has good anti-corrosion, fire prevention, waterproof, dust-proof (sand-proof), shock-proof, UV-proof, anti-theft and other functions, to ensure that 25 years will ...

Deploy power in hoursPerfect for remote locations, construction sites, events, and emergency response situations. Our solar containers ensure fast ...

1000V level DC to DC solar charge controller, used together with ATESS PCS and Bypass for large scale solar projects. Bypass cabinet is designed to be used together with bidirectional ...

These solar-integrated backup power units combine photovoltaic generation, lithium battery storage, and smart energy control ...

These solar-integrated backup power units combine photovoltaic generation, lithium battery storage, and smart energy control into a compact, transportable container--delivering ...

Polinovel 2MWH commercial energy storage system (ESS) is tailored for high-capacity power storage, ideal for large-scale renewable energy generation, PV self-consumption, off-grid ...

Polinovel 2MWH commercial energy storage system (ESS) is tailored for high-capacity power storage, ideal for large-scale renewable energy ...

The energy storage container has good anti-corrosion, fire prevention, waterproof, dust-proof (sand-proof), shock-proof, UV-proof, anti-theft and ...

Equipped with thermal protection, emergency shutdown, and fire suppression system for reliable, safe, and long-lasting energy storage. Built for harsh outdoor conditions with weather-resistant ...
