What is the UAE Central Tenders portal?

The UAE Central Tenders Portal: This portal provides information on tenders and auctions for all UAE government entities. GlobalTenders aggregates tenders from UAE's official,authorities and agencies websites,newspapers,journals and magazines.

What is the value of UAE tenders in 2022?

In 2022, the total value of tenders awarded by the UAE government was AED 120 billion(USD 32 billion). Bidding for tenders in UAE is extremely lucrative for companies of all sizes. UAE tendering authorities release contracts for most of the products and services procured by them benefitting small,medium and large enterprises.

How many 5G stations are there in the UAE?

5G is well-deployed in major urban areas and along main transport routes, but less so in more rural areas. The UAE is estimated to have approximately 7,000 5G base stations, representing seven stations per 10,000 residents. The two principal network operators (Etisalat by e&and Du) as well as the main VMNO Virgin Mobile offer 5G connectivity.

How do I participate in tenders in the UAE?

To participate in tenders, you must register with the ministry and have a valid trade licence. Ministry of Energy and Infrastructure is the UAE's federal entity responsible for planning and managing the execution of federal infrastructure projects.
