Maison Rive Gauche is a single-family residence on the Dilido Islands in Miami Beach. Taking advantage of downtown views and its waterfront access, its design is focused on the full ...

Nonetheless, the Rock House masterfully blends these disparate influences together to create an unexpected, yet convincing, design solution. The dense and riotous tropical landscape of ...

STRANG is a Miami-based design firm renowned for advancing the principles of Environmental Modernism in extraordinary locations around the world. This concept, dubbed by the firm, ...

The design of Tarpon Bend underscores the firm's ongoing explorations of regional modernism by adapting a rectilinear frame with site-specific and climate-specific considerations.

The exterior of the house received new landscaping, a more intimate courtyard design, and the addition of a lap pool, something always hoped for by Gene Leedy, but realized until today.

Cross-ventilation and sea-to-sea views dominate the design while an exclusive master suite with private rooftop terrace and garden occupies the upper level of the main home. The property ...
