The history of power generation and distribution in Dhaka city is eventful. Tradition goes that the Nawab of Dhaka introduced electricity in Dhaka in 1901 when he installed a small generator in his residence Ahsan Manzil. Power generation for public use started in 1930 when a privately owned company M/S DEVCO developed an electricity distribution system. Private companies managed power generation and distribution system in Dhaka until the end of British rule in 1947. In 1957 t...
