Widely used in Instrumentation (smart IC card, water, electricity, gas, heat meters), portable equipment, all kinds of military communications radio, underwater weapons, life-saving ...

ER34615-19000 - D Lithium Thionyl Chloride 3.6 V Battery Non ...

It can act as backup power or be included in battery packs for fast shipping. The strong ER34615 battery, like the HD lithium thionyl chloride version, is trustworthy.

ER34615-19000 - D Lithium Thionyl Chloride 3.6 V Battery Non-Rechargeable (Primary) from PKCELL. Pricing and Availability on millions of electronic components from Digi-Key Electronics.

Custom processing and sample design available upon request Customize battery cells with series/parallel configurations, solder tabs, or plug leads

EVE SPC solution combines ER lithium cells with SPC capacitors, delivering both high energy density and strong pulse power. Perfect for smart metering, IoT, and wireless communication.

At +25°C, 2.0V cut-o, battery discharged for minimum 50% of nominal capacity with max pulse for 3 seconds after 27 seconds break. The discharged capacity may vary according to the pulse ...

The lithium battery er34615 pack are small in size for the perfect portability and convenience of use. They are designed to have the optimal shapes and sizes to ensure that they fit perfectly ...

Discover the 3.6V 19Ah ER34615+SPC1520 Li-SOCl₂ Battery Pack from Topwell Power. Designed for high-capacity and reliable performance, ideal for industrial, IoT, and energy ...

Discover the 3.6V 19Ah ER34615+SPC1520 Li-SOCl₂ Battery Pack from ...

Higher energy density and lower weight. Superior drain capacity. Stainless steel container. Hermetic
