What are plastic foldable large containers (FLCS)?

Plastic foldable large containers (FLCs) ORBIS plastic FLCs are an efficient and sustainable alternative to steel,cardboard or wooden packaging. The foldable industrial bins with Standard footprints are easy to implement along different points of the supply chain and can be adapted to customer preferences.

What is a foldable large container?

Foldable large containers (also called: pallet boxes) are large collapsible containers adapted to Standard pallet footprints. They can be manufactured from wood or plastic. As a combination of container and pallet,pallet boxes often have runners. Due to the runners,operators can easily handle the large containers with fork lifts and lift trucks.

Who is mobile modular portable storage?
