How do I find the best power bank?

Finding the best power bank for you. In order to find the best power bank for your device s,consider the type of charging you will be doing. There are many different charging interfaces,including wireless portable phone chargers and USB-C power pack chargers.

Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our Best MagSafe Power Banks guide for magnetic wireless chargers, and our Best Portable Power Stations guide for more power. Updated November 2025: We've added a power bank from EcoFlow, and an honorable mention for a new Anker power bank.

Should you buy a power bank or a portable charger?

The best power banks are always handy. Our gadgets have a Murphy's law-like ability to run out of power at the least convenient moment: as you step on the bus,right in the middle of an important meeting,or just as you get comfortable on the couch and press Play. But with a portable charger,you can keep using your devices.

Can a power bank charge a phone?

While most power banks provide ports, some also offer built-in charging cables for commonly used devices so you won't have to carry separate charging cables. You can also find portable phone chargers that attach directly to your smartphone to automatically extend your phone's battery life.
