What accessories are needed for a power inverter?

Inverters R Us offers a full line of accessories for your power inverter. We have everything you'll need, including batteries, inverter cables, chargers, fuses, inverter remote switches, solar charge controllers, solar panels, transfer switches, transformers, and plug adapters.

What kind of inverter do I Need?

You'll have a microwave, maybe an induction cooktop, and maybe an electric kettle for hot water. If you only use one of those at once, then you can get away with a 2000 Watt inverter (the thing that converts your 12v battery power to 110v for the appliances). If you want to use more than one at once, then you'd need a 3000 Watt inverter.

Who is Inverters R Us?

Inverters R Us, founded in 2003, is one of the largest Victron suppliers in the world. Known for our system designs, technical/pre & post sales support, massive inventory, and HOME of the 5+1 = 6 Year Victron Warranty, you can trust that we will be here for you today and down the road!
